

Sunday 19th April 2020 – Fear and Faith

Read Hebrews 2:14-15

- What did Jesus achieve by His death?
- In what ways might someone be held in slavery by fear of death?
- Share times when you have felt fear of death.
- How might fear impact the full life that Jesus came to give us?

Read John 20:24-29

- Why did Thomas find it difficult to have faith that Jesus had beaten death?
- How might his doubt have impacted his life had he not believed?
- When might we find it difficult to have faith in the power of the risen Jesus?
- What can we learn from Thomas in our times of doubt?
- Share testimony of the power of Jesus in your life.

Read Romans 8:14-17

- How might being filled with the Holy Spirit help us to have more faith?
- What encouragement does the gospel message give us when we are going through times of suffering?

Pray

- Through any issues with fear that have been shared
- That each person will be filled with the Holy Spirit
- That each person will fully know and have faith in the truth of the gospel message and experience the full life that Jesus offers
